

DUSTIN BAIRD

Bio

My story: I have been playing music since I was a little kid. I have been in countless cover bands and original projects. I have played drums, bass, and sang in different projects. I spent 3 years on the road as the bass player of the Josh Davis band and now spend my days doing solo acoustic cover shows around the Des Moines area. I also give guitar, bass, and drum lessons at The Central Iowa Music lab and Ground Zero Music. This is the nutshell version. I would like to play your bar or your private party!! I'm fun. Way fun!
